UNITED STATES INTELLIGENCE BOARD
SIGINT COMMITTEE

OFFICE OF THE CHAIRMAN

25X1

16 August 1974

MEMORANDUM FOR: D/DCI/NIO
SUBJECT: National SIGINT Plan

The SIGINT Committee has been working with the NSA representative in developing the SIGINT requirements statements for the National SIGINT Plan. The attached represents a revised listing based on the recently published DCI's Perspectives for Intelligence. The Near Term statements are keyed to the DCI's Objectives whereas the Long Term apply to the Perspectives.

Before I transmit these formally to the Director, NSA, I welcome your views. As you may already be aware, General Allen is well along in the preparation of the NSP which is now in its third draft.

An early response would be appreciated.
